REGISTRATION POLICIES

27TH WORLD MINING CONGRESS 2026
LIMA - PERÚ

The World Mining Congress (WMC), organized by the Instituto de Ingenieros de Minas del Perú (Peruvian Institute of Mining Engineers – IIMP), is a leading international event for the mining industry. Within this framework, these Registration Policies are intended to establish the criteria and guidelines governing the participation formats, categories, and conditions.

These policies are designed to ensure orderly capacity management, the achievement of the event's commercial objectives, and its financial sustainability, while providing a transparent and efficient process for all participants.

Registration for WMC implies the acceptance of the provisions set forth herein.

PARTICIPANTS

- The IIMP Associate who desires to benefit from the reduced rate must be current on all membership dues.
- Only one change of participant or category is permitted at no additional charge. Beginning with the second change, a penalty equal to 20% of the registration fee shall apply, subject to prior coordination and approval by the IIMP's Event Coordinator.
- To qualify for the student rate, the participant must be currently enrolled in a professional or technical degree program and be in the 7th through 10th undergraduate term (a certificate of enrollment from the university must be uploaded to the registration platform in PDF format, maximum file size 5 MB).
- To qualify for the faculty rate, the participant must submit a letter from the university where he/she works. Please note that the participant must be a full-time faculty member (a certificate of employment issued by the university must be uploaded to the registration platform in PDF format, maximum file size 5 MB).

CREDENTIALS

- Credentials are documents that identify the event participants according to their category and shall be subject to access control.
- In the event of loss or theft, a replacement credential shall be issued at a cost of USD 30.00.
- Credentials are personal and non-transferable, and must be worn visibly at all times during the event. The IIMP reserves the right to request valid identification from participants in order to verify the authenticity of the information provided.
